

**Policy: Physician Services Bariatric Resident**

**Bariatric-07**

---

**Purpose:** To ensure appropriate physician and psychiatric care and services for the bariatric resident

**Policy:** Physician and psychiatric services are delivered according to state/federal regulations and stability of medical and mental health. A physician's order will supersede the Bariatric Program Guidelines.

**Procedure:**

1. Physician and Psychiatric Services will be delivered according to state/federal regulations and the stability of medical and mental health.
2. A physician's order will supersede the Bariatric Program Guidelines.
  - In the absence of a specific physician's order, the Bariatric Program Guidelines will be followed.
